*Leading Change with Logic and Heart
Coaching and Leadership Solutions*

"Being an MD of CLI is a joy and a blessing. Their science-based, award-winning PCMK™ methodologies are profoundly transformational and therefore our clients elevate their performance at home and at work in a fast and effective way, with ease and fun. The support I got from CLI's team to build the MD in Romania was beyond any expectations. Their love, dedication and positive attitude reach far beyond the current business practices into what could be the business culture of the future, one where all involved are honoured and nurtured while enriching their lives both personally and professionally."

~ Ramona Lacatus, President and CEO, CLI-Romania

Mind-Kinetics® The Missing Piece

Traditional training programs in areas such as leadership, sales excellence and life balance have rarely provided the permanent results that clients require.

As a Master Distributor, you will bring something uniquely different and powerful to your clients. Years of CLI research and development have yielded the secret to permanently changing behaviours to maximize results for individuals and whole corporations alike.

The secret, the magic, is called Mind-Kinetics®.

We believe so much in the power of these tools that we guarantee the results to our own direct clients. As a Master Distributor, you too can offer the same no-risk guarantee to your clients.

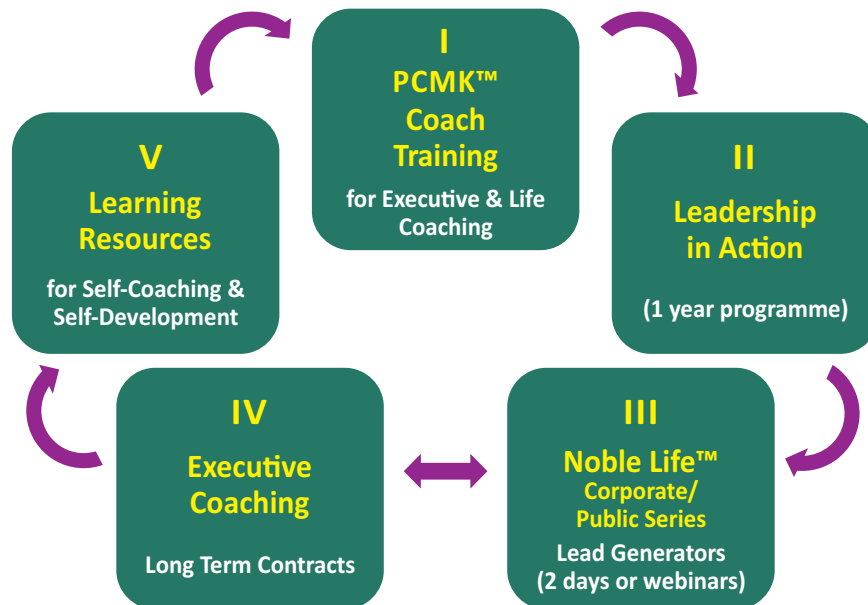

Some High Performance Features of Mind-Kinetics®

1. Bilateral thinking - the ability to switch easily between left and right hemispheres for ultimate clarity.
2. A physiological shift readily yields innovative solutions.
3. New positive belief systems are anchored to produce permanent positive change.
4. The root causes of our inability to achieve the life success we deserve are discovered and eliminated.
5. The Universal Laws of Human Behaviour and 75+ values of humanity inspire a noble life of courage and faith in self. . .
6. One body, mind and spirit rejuvenate to bring peace of mind.

"You have to experience it to believe it."

The CLI Story - Who we are

Coaching and Leadership International Inc. began in 1991 as a coaching, consulting and training company. In 1995, it became obvious to CLI that training and coaching needed a paradigm shift in order to raise the bar and give clients a much higher level of results.

CLI, propelled by this need, has researched and developed dozens of award-winning thinking tools which move clients into a realm of greater prosperity in all areas of life.

CLI develops these ground-breaking tools and programs and tests them in the market place. We are now giving other organizations like you the opportunity to bring astonishing results to families, corporations and individuals around the world.

Our clients tell us that we are The Masters of changing unconstructive habits and behaviours into positive ones faster and more effectively than anyone they know.

At the end of the day, we know that we have assisted many in achieving their dream of greater success, joy and peace of mind. And, this makes our lives truly meaningful.

We extend a warm welcome to you to join our team of professionals who work tirelessly to make this world a more positive place to live and work.
